PB Penetrating Catalyst

While PB's label has remained virtually unchanged since its 1957 introduction, PB's popularity has grown phenomenally. PB makes rusted nuts and frozen parts a struggle-free job. PB B'laster is unequalled in its penetrating properties. PB has no rivals when it comes to its capillary action, which allows it to squeeze into the tightest cavities and attack rust from all angles. PB's surfactant works on parts even when they're wet, and it displaces moisture.

Function

- Breaks free rusted joints & frozen parts by removing surface tension
- Powerful, concentrated penetrating catalyst
- Non-evaporating lubricant
- Protects against further rust & corrosion

Benefits

- Works where others fail!
- Prevents rust, corrosion, squeaking & sticking problems
- Saves time & equipment

Uses

- Mechanical repairs
- Plumbers Aid

Sizes Available	Part Number	UPC
7 oz. aerosol can	8 PB	0 32167 10011 8
11 oz. aerosol can	16 PB	0 32167 10001 9
128 fl. oz., pour can w/sprayer	128 PB	0 32167 10010 1
16-PB sprayer	Empty 16 oz. Sprayer	
5 gal. pail	5 PB	0 32167 10005 7
Trial Size 4 oz.	PB-TS	0 32167 15000 7
Aisle Display (144 -11 oz. cans)	PB STACKER	

Air Tool Conditioner

- Thoroughly cleans internal tool parts
- Breaks loose deposits that create friction & impede smooth operation
- Reaches deep into even small recesses to establish a protective, long-lasting, lubricating film
- Protects tools from freezing as low as to -25°F

Sizes Available	Part Number	UPC
3.5 oz. aerosol can	ATC-TS	0 32167 15006 9
11 oz. aerosol can	16 ATC	0 32167 10006 4
16 fl. oz. bottle	16 ATC-S	0 32167 10020 0

Air Tool Lubricant

- Lubricates & rust proofs
- Removes moisture
- Offers maximum tool performance
- Prevents unnecessary service
- Protects tools against high speeds & shock loads

Sizes Available	Part Number	UPC
16 fl. oz. bottle	16 ATL	0 32167 90022 0

Citrus Based Degreaser

- Fast acting
- Spray on and wipe off tough grease
- Removes tar, grease, oil, resin & ink from virtually any surface
- Nature's strongest cleaner
- Dries residue free
- Use on all wipe-on-wipe-off & dip tank cleaning settings

Sizes Available	Part Number	UPC
11 oz. aerosol can	16 CBD	0 32167 60001 4

Fuel Injector Cleaner

- Removes carbon and varnish from upper cylinders, manifolds, exhausts & converters
- Restores to 100% engine efficiency
- One bottle treats 2 tanks!

Sizes Available	Part Number	UPC
15.5 fl. oz. bottle	16 FIC	0 32167 20013 9

Contact Cleaner

- Safe for fragile circuits & equipment such as disc drives & optical equipment
- Powerful enough to clean without scrubbing
- Non-flammable
- High-dielectric strength
- Dissolves grease & more

Sizes Available	Part Number	UPC
11 oz. aerosol can	16 CC	0 32167 15001 4

Garage Door Lube

- Leaves a dry, tack-free film that won't accumulate dust & dirt
- Suitable replacement for grease
- Use on garage doors, overhead doors, hinges, cables, springs, worm gears, bearings, bushings, door tracks, chains & more

Sizes Available	Part Number	UPC
5 oz. aerosol can	GDL-TS	0 32167 90125 8
9.3 oz. aerosol can	16 GDL	0 32167 90025 1

Corrosion Stop

- Resists water & prevents further corrosion
- Creates a protective barrier
- Use in industrial, automotive & marine applications on anything that rusts

Sizes Available	Part Number	UPC
11 oz. aerosol can	16 CSP	0 32167 99009 2

Graphite Dry Lube

- Improves reusability of fasteners & protects against corrosion
- Used by all major railroads, military, and trucking industries
- Autotrack equipment chains, tracks, hinges, tie-down chocks, switches, couplings, etc.
- Automotive and industrial gaskets
- Thread lubricant (anti-seize)
- All metal to metal wear

Sizes Available	Part Number	UPC
8 oz. aerosol can	8 GS	0 32167 22008 0

Lawn Mower Tune-Up

- Restores power & compression to all 2- & 4-cycle engines
- Formulated to assist in the preventative maintenance of all combustion engines
- Dissipates moisture & inhibits rust & oxidation
- Reduces friction, heat & wear
- Excellent layover product for seasonal equipment

Sizes Available	Part Number	UPC
11 oz. aerosol can	16 LMT	0 32167 50010 9

The Dry Lube

- For every household lubricant need
- Use on locks & catches, hinges, cables, window tracks & glass, rope, door tracks & conveyor belts
- Superior, long-lasting lubrication
- Safe to use on plastics

Sizes Available	Part Number	UPC
9.3 oz. aerosol can	16 TDL	0 32167 90024 4

Silicone Lube

- Preserves, lubricates and protects elastomers, metal, plastic, wood, rubber, vinyl & leather
- Non-evaporating lubricant
- Eliminates wear from constant friction
- Restores life to vinyl, leather & rubber
- Safe & non-staining

Sizes Available	Part Number	UPC
11 oz. aerosol can	16 SL	0 32167 70004 2

White Lithium Grease

- Low friction
- Protects from moisture
- Withstands heavy loads
- Creates a protective barrier

Sizes Available	Part Number	UPC
11 oz. aerosol can	16 LG	0 32167 99008 5

Parts Washer Solvent

- Cuts through cutting oil, watersoluble oil, motor oils & grease!
- Safe to use on all metals, most plastics & painted surfaces
- Works better than mineral spirits!
- Leaves parts film free

Sizes Available	Part Number	UPC
128 fl. oz. (1 gal.) pour can	128 PWS	0 32167 50004 8
5 gal. pail	5 PWS	0 32167 50005 5
